# CESSNA CITATION VII

The first in Cessna's line of 'big jets', the Citation VII seats 8 passengers in complete luxury with many features found only on larger jets.

Great value, fast and capable of landing at regional airports Australia wide, we love the Citation VII for small groups of 5-7. Perfect for flights between metropolitan hubs, out to regional centres - this aircraft has enough range to travel non-stop from Sydney to Cairns. With generous cargo capacity, this jet is also popular for film crews and short holidays to the snow.

With seating for up to 8 passengers, on-board toilet and a well stocked refreshment centre up front; the Citation VII is the perfect way to travel in true private jet style. Appointed in cream or grey leather, with seating arranged in a club + 2 + 1 configuration, all flights in the Cessna Citation VII include two pilots with an optional flight attendant.
