

NAVYAIR

HANGAR 131

With a unique hangar facility right on the tarmac at Bankstown Airport, Hangar 131 is the ideal location for your next photoshoot, product launch or media event.

Gain unprecedented access to luxury private jets, with our expert team on hand to position aircraft for photo-shoots, or utilise over 5000m³ of hangar space and our adjoining flight lounge, the possibilities are endless!

Call the team at Navair and we'll tailor Hangar 131 to suit your needs and budget.
