PIPER CHIEFTAIN

Any time, any place, the Piper Chieftain is an aircraft that delivers performance, safety and versatility for the best price in private air charter.

With room for 8 passengers and luggage, or up to 800kg of freight, the Chieftain can fly almost anywhere Australia-wide, including dirt or grass airstrips. Featuring two turbocharged engines for safety and impressive short field performance, this aircraft is capable of flying day or night, for short flights to either regional aerodromes or larger domestic airports.

Aircraft layouts and interiors may vary from those pictured, depending on your specific requirements.
